Pulaski Heights Presbyterian Church

Welcome to our sanctuary.

We hope that our time together here today
becomes for you a time of encounter with God's own word
lifting your heart, stretching your mind, and girding your will
with the guidance and grace that only God can give
and that God desires for you to receive, to embrace, and to follow.

If you can join us for some good table fellowship this Thursday (and you're welcome to invite others to come with you!), let Charles know (cell phone: 501-658-6745) and he will add you to the reservation list. (The host gets to choose the restaurant and then is responsible for reserving a table. If you would like to serve as host for an upcoming Lunch Bunch gathering, please contact the church office.)

Funding the Work We're Here to Do

Unless otherwise designated, money given to our church is placed in what we call the ***General Fund***. Through this fund, we pay for such things as utilities, regular maintenance, and insurance; worship, fellowship, educational, office, and administrative supplies; and staff salaries. In addition to gifts to the General Fund, we encourage members and friends of our church to give prayerful thought to giving also to the two ***special funds*** through which we fund our work. They are:

The Cliff and Audie Lee Jones Ministry Fund,
through which we help families keep their head above the waters of a temporary financial crisis, thereby helping them toward the courage, hope, and opportunity they need for moving forward.

The Building Fund,
through which we pay for repair work that exceeds what we're able to cover in our annual budget.

Food for thought —

We are followers of Jesus Christ, striving together to serve the future ruled by the truth and grace of God. In the power of the Holy Spirit, we seek not to be conformed to the world as it is, but to let our lives and world be transformed by the gospel Christ came bringing.

Here in Little Rock's Hillcrest Community, we seek to be a center of worship, theological learning, generosity, and courage, where hearts are lifted, minds stretched, and wills moved by the guidance and grace that God has spoken and speaks into the world through the life and mission of Jesus.

We see inclusiveness, the loving embrace of one another in and amidst our differences, as a visible sign of the new humanity that God is calling into being.
